

(a) Code repair

SWE-agent / MatchFixAgent

Tanh missing

```
@register_function(torch.relu)
@register_function(torch.nn.functional.relu)
def functional_relu(input, inplace=False):
    return mops.relu(input)
```

LaDiM

Repaired

```
+ @register_function(torch.tanh)
+ @register_function(torch.nn.functional.tanh)
+ def functional_tanh(input):
+     return mops.tanh(input)
```

(b) Repair cost

— LaDiM - - - MatchFixAgent

- - - SWE-agent
